Veterans discount available

Go to Kauaiveteranscenter.org

FOR SPONSORSHIP & REGISTRATION

No awards luncheon this year due to COVID-19 but will receive a bento box to-go!

Proceeds benefit the Kaua'i Veterans Center and KVC Museum.

The Kauai Veterans Council is a 501(c)3 organizations that was established in 1995, shortly after the Kauai Veterans Center was constructed. It is the parent organization to posts and chapters representing state and National organizations such as the U.S. Marine Corps League, Disabled American Veterans, Vietnam Veterans of America, the Kauai Veterans Club, and the American Legion. The Kauai Veterans Center is home to these many organizations and to all veterans living on Kauai. Additionally, the Center houses the Kauai Veterans Museum. The Kauai Veterans Council meets monthly to discuss how to help veterans in need, and to organize annual ceremonies and events to honor our veterans during Memorial Day and Veterans Day.

2020 has been a challenging year to say the least. Like so many businesses and nonprofits, COVID19 forced us to cancel many events for our veterans and the community such as our Memorial Day observance, Fourth of July Veterans Roundup, and the Veterans Day Parade. But as veterans we are used to facing challenges head on and can adapt, improvise and overcome! That is why we are hosting a Veterans Day Golf tournament, to give our veterans and community members some much needed fun and to fundraise for our Veterans Center and Museum.

Because of the COVID19 restrictions we have not been able to rent out the Veterans Center for large events, and have lost our revenue stream to fund building maintenance, fund scholarships for the top JROTC cadets and Miss Kauai Veteran, fund our annual Veterans Christmas party, and finish the renovations on our Veterans Museum. We hope you will join in and support this worthy fundraiser and have some fun at the same time.
