Dear Friends of Kauai Veterans

6 October 2020

On behalf of all of Kauai's veterans, we hope you and your families are safe and healthy. COVID19 has wreaked havoc on all aspects of our lives, and our veterans feel it keenly. We have not been able to open the Veterans Center to the entire Kauai community in large numbers because of the many restrictions on crowds and social distancing. Unfortunately, like so many other events in our community, we had to cancel our Memorial Day remembrance ceremony, our Fourth of July Roundup and our annual Veterans Day Parade. We hope to have a small Veterans Day ceremony on November 11, 2020, but we must to wait for the outcome of the island's reopening to make that determination.

We have decided to do something different this year to try to bring our veterans and community together, and that is why we have scheduled the First Annual Veterans Day Golf Tournament for Sunday, November 8, 2020 at the beautiful Ocean Course Hokuala. We are able to proceed safely thanks to the kokua from the staff at the Ocean Course Hokuala. The tournament will be modified to ensure the continued safety of the golfers and staff at Hokuala. We hope to use this event as a fundraiser to keep the Veterans Center open beyond 2020, replenish our scholarship funds for Miss Kauai Veteran and the top Junior ROTC cadets at Waimea and Kapa'a High Schools, and finish the renovations of the Kauai Veterans Museum.

We understand the Pandemic has seriously impacted our many generous supporters and businesses. We humbly ask you to consider participating as a sponsor, and we have different levels of sponsorship available, or to make a donation to this cause. It's a lot to ask in this difficult time and we certainly understand if you cannot. If you'd like more information about the tournament please visit our website at [kauaiveteranscenter.org](http://kauaiveteranscenter.org) or call Bart Thomas, Junior Vice Commander, Kauai Veterans Council, at 503-707-2239.

Mahalo for all of your past and continuous support!
